TTSD and Webinar Training.

- FRA and TTSD are exploring ways to enhance and deliver Webinar (e-learning technologies) based training.
- Possible applications:
 - Safety Advisories.
 - Technical Bulletins.
 - HQ guidance on a specific item, etc.
 - Some fundamental courseware application.

TTSD and Webinar Training.

- Currently: A consulting group has started conducting interviews of TTSD Trainers regarding:
 - TTSD Background.
 - Use of technology.
 - Materials & Library.
 - Scheduling.

The above subjects have multiple questions related to them.

TTSD and Webinar Training.

- End of 2015: Consulting group should have completed interviews of inspectors, specialists, and other stake holders regarding their:
 - Needs
 - Wants
 - Vision of Web based training.

Thank you all for your time.
